### AMBROSE COMPETITION

Rules for this event are as follows:

**TEE SHOTS:** - Each player must use at least two of their tee shots. The scorer must record on each hole whose tee shot was used.

**ON THE FAIRWAY:** - the position of the selected ball shall be marked. All players then **place** their ball within one club length of the marked position no nearer the hole. Any order of play.

**OFF THE FAIRWAY:** - the position of the selected ball shall be marked. All players then **drop** their ball within one club length of the marked position no nearer the hole. The drop is to be made in the same conditions as the marked position. Any order of play. All shots must be played under the same conditions.

**ON THE PUTTING GREEN:** - The selected ball shall be marked. Each player putts in turn and if the ball is not holed the above procedure continues until the ball is holed. Each player putts in turn and if the ball is not holed and finishes within one card length of the hole, the player is allowed to putt out. However, the above procedure is to continue until the ball is holed.

## COMPETITION DEFINITIONS

---

This competition is known also as "Scramble" – Handicap allowance is 1/8 of the combined handicap of the four players.

### AMERICAN FOURSOMES

Both players play tee shots at each hole, then play a second stroke with their partner's ball. One ball is then selected and play proceeds as in foursomes with the owner of the ball selected playing the third stroke. Handicap allowance is 3/8 of aggregate stroke handicap for stroke competitions.

This event is sometimes called "Pinehurst Foursomes".

### CANADIAN FOURSOMES

Played as in Mixed Foursomes except that both players play tee shots at every hole and afterwards continue with whichever ball they nominate. Handicap allowance is of aggregate stroke handicap.

### MEDLEY COMPETITION

Played as four ball – either Par or Stableford – but two men or two ladies or a man and a lady may pair.

Both men and ladies play on their full stroke handicap.

### RUSSIAN FOUR BALL

Instead of adding each pairs score together, the lower score is multiplied by the higher of the two scores.

E.g.: 2 points X 3 points = 6 points

3 points X 3 points = 9 points

1 point X 3 points = 3 points

0 points X 3 points = 0 points

## CONDITIONS

---

Be sure to read the local rules before playing. Ties in all club competitions shall be decided by a countback, with the exception of the final place of Midweek Titles, Weekend Title and the Club Championship.

The WGA recommends that (three) cards be returned for handicap purposes each season.

This program is subject to alteration and amendment at any time by the Match Committee.

Competition fees are payable before playing.

Players competing in the Professionals Nearest the Pin competition, must pay fees to the Pro Shop before commencing play.

All par three holes are call up greens, unless the tee in front is vacant. Balls on the green must be marked before calling up.

Once you have commenced to putt, you are requested to continue.

The lowest handicap player in each group of players is deemed to be captain of the group and will be held responsible for seeing that the players of that group abide by the rules and etiquette of the game.

Cards defaced or not clearly marked will not be accepted.

Motorised Carts – When playing in an Associate competition and using a motorised cart, players must abide by the club rules of the day.

Mobile Phones (1b etiquette) – “The audible emission or unauthorised use of a mobile telephone on a golf course or during play is a serious breach of etiquette and will attract a warning and possible disqualification (Rule 33-7).”

Players must phone the clubhouse to cancel out of any booked games. In the case of a partner event it is also courteous to phone your partner. Early notification may help to find replacements.

In the event of a storm, play will be suspended on the sound of two blasts on the storm siren. At the sound of one blast on the storm siren, play will then be resumed.

Players are reminded to keep up with the group in front of them. Slow play can incur a two stroke penalty.
